

Maxi C510 Refrigerator with extended refrigeration

Item number: 945110120

Maxi C510 is an energy efficient, durable, and reliable refrigerator in the euronorm measure 400x600 mm, built for demanding professional use with many door openings and high demands for temperature stability.

WORK ENVIRONMENT, EASY CLEANING, AND EFFICIENT USE

The cabinet is equipped with a reversible door with a pedal door opener for hands-free opening, self-closing, and an integrated handle in the full height of the door. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the refrigerator is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

The refrigerator comes with up to 5 years warranty, and it has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.

WHAT IS G+?

G+ is Gram Professional ApS's brand for professional refrigeration and freezer products for food storage.

'G' symbolizes that we have roots in the Danish Gram Group.

'+' symbolizes that innovation is a part of our DNA and that we continuously develop, so that we always live up to the customers' needs and expectations.

TECHNICAL SPECIFICATIONS

Product name	C510 G S RA L2 4N	Energy efficiency class / EEI	B / 28,3
Product type	Professional refrigerator	Energy consumption (kWh/year)	319 kWh
Temperature range	-5/+12°C	Warranty	Up to 5 years
Volume (gross / net)	465 / 314 L	Climate class	5 (40°C/40% RH)
Dimensions (WxDxH)	600x859x2125 mm	Door type	Isolated door
Material (exterior / interior)	Stainless steel / Stainless steel	Legs	H = 135/200 mm
Gross weight	122 kg	Shelves (max. number)	4 grey wire shelves (27) / Euronorm measure 400x600 mm (WxD)
Refrigerant / charge	R290 / 0,065 kg	Equipped with	Right-hand reversible door with lock, self-closing, pedal door opener, 4 grey wire shelves and LED lighting.
GWP and Co2 equivalent	3 / 0,000195 t	Variation options	Door (left- or right-hand), wire shelves (grey/stainless), castors instead of legs.
Refrigeration capacity at -10°C	260 W		
Connection	230 V, 50 Hz / 1,70A		
Connection load	144 W
