Gastro C3 Refrigerated counter with extended refrigeration

Item number: 940310120

Gastro C3 is an energy efficient, durable, and reliable refrigerated counter build for demanding professional use with high demands for temperature stability.

WORK ENVIRONMENT, CLEANING AND EFFICIENT USE

The counter is as standard equipped with 1 left-hand door and 2 right-hand doors and ergonomic door handles. It is constructed with rounded corners. The doors have removable sealing strips for easy and efficient cleaning. The counter is delivered as standard with stainless wire shelves. It can be configured with drawers – 1/2 or 1/3 as needed.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the counter is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

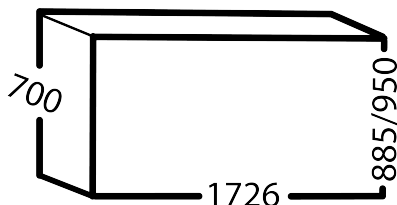

The counter comes with up to 5 years warranty, and it has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.
