## Maxi C1400 Double Door Refrigerator with extended refrigeration

Item number: 941410120

Maxi C1400 is an energy efficient, durable, and reliable double door refrigerator, built for demanding professional use with many door openings and high demands for temperature stability.

### PRACTICAL DETAILS AND EASY CLEANING

The cabinet is equipped with pedal door openers for hands-free opening and integrated handles in the full height of the doors. It is constructed with rounded corners and the doors have removable sealing strips for easy cleaning.

### SECURITY

The cabinet comes with up to 5 years warranty, and it has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.

### SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the cabinet is produced in Denmark with focus on minimizing the impact on the environment, social responsibility and with energy from renewable energy sources.

### WHAT IS G+?

G+ is a brand of Gram Professional. We produce professional refrigeration products for food storage.

'G' symbolizes that we have roots in the Danish Gram Group.

'+' symbolizes that innovation is a part of our DNA and that we continuously develop, so that we always live up to the customers' needs and expectations.

## TECHNICAL SPECIFICATIONS

Product name	C1400 G S RA L2 8N 4CS	Energy efficiency class / EEI	A / 24,1
Product type	Professional double door refrigerator	Energy consumption (kWh/year)	562 kWh
Temperature range	-5/+12°C	Sound level	48,6 dB(A)
Volume (gross / net)	1359 L / 1050 L	Warranty	Up to 5 years
Dimensions (WxDxH)	1400x909x2125 mm	Climate class	5 (40°C/40% RH)
Material (exterior / interior)	Stainless steel / Stainless steel	Door type	Self-closing isolated doors
Gross weight	220 kg	Legs (standard)	H = 135/200 mm
Refrigerant / charge	R290 / 0,149 kg	Number of shelves (max. number)	8 2/1 GN shelves + 4 center shelves (27 in each compartment)
GWP and Co2 equivalent	3 / 0,000447	Equipped with	Doors with locks, pedal door openers, 8 grey wire shelves, 4 center shelves and LED lighting.
Refrigeration capacity at -10°C	560 W	Variation options	Wire shelves (grey/stainless), castors instead of legs.
Connection	230 V, 50 Hz / 1,774A	Other	Alternative internal shelving options on request.
Connection load	248 W
