G+ BY GRAM PROFESSIONAL

MADE IN DENMARK

MAXI 1400 PLUS

1400 PLUS is a robust and reliable double-door cabinet. It is designed for demanding everyday use in professional kitchens that require large storage capacity. It offers high temperature stability and rapid temperature recovery, even with frequent door openings.

The two-door cabinet has a depth of 2 x 2/1 GN, providing space for two 1/1 GN trays in depth on each side, placed on wire shelves or directly on support rails.

The chiller has an extended temperature range of -5 to +12 °C, whilst the freezer covers -25 to -5 °C, ensuring great flexibility and versatility in daily operations.

The design is thorough and ergonomic, featuring a full-length door handle, a robust foot pedal and self-closing mechanism. The rounded corners and removable magnetic door gaskets make it easy to maintain optimal hygiene.

The intuitive and intelligent control panel is easy to operate, optimises operational reliability and ensures low energy consumption.

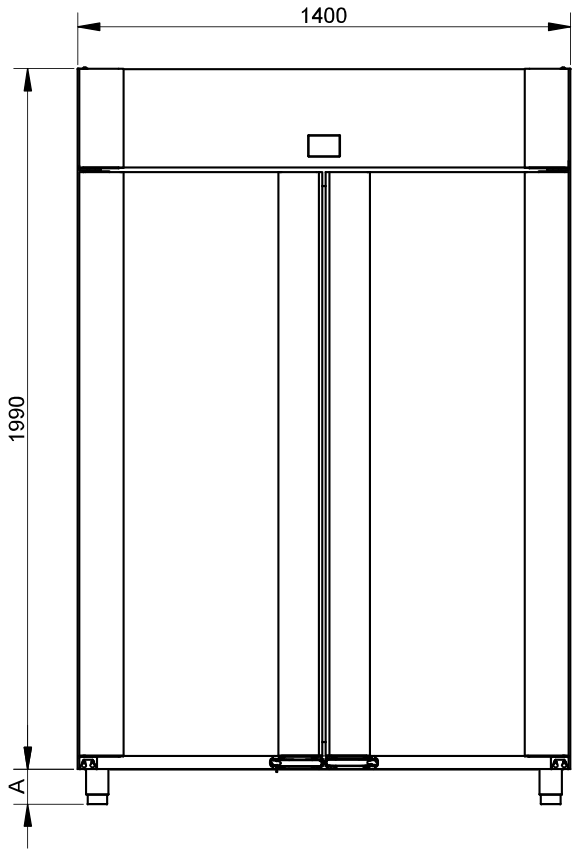

Delivered in the well-known high quality from Gram Professional, ensuring stable operation and long service life.

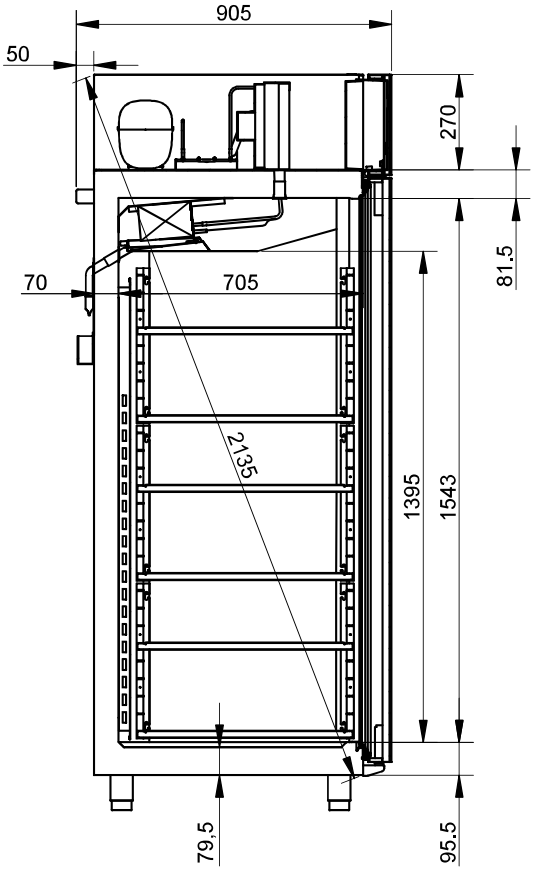

Standard equipment :
- Interior and exterior in stainless steel
- 8 nylon coated wire shelves and 4 center shelves
- Practical pedal door openers for easy access
- Doors with self-closing function and lock
- LED lighting
- Removable heavy-duty door gasket
- Adjustable legs (135-200 mm) or castors (128 mm)

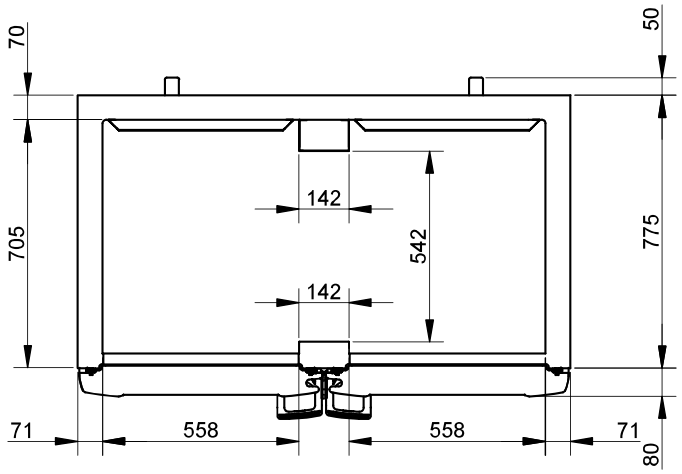

Optional extras:
- Additional wire shelves and support rails
- Perforated shelves for small item storage
- Various castor and leg options
- Available for remote installation on request
