Compact F400 Freezer

Item number: 944020220

Compact F200 is an energy efficient, durable, and reliable freezer in white painted steel, built for frequent door openings and high demands for temperature stability.

WORK ENVIRONMENT, EASY CLEANING AND EFFICIENT USE

The cabinet is equipped with a reversible door with lock, an ergonomic handle in the full height of the door, and electronic controls with safety functions for optimal product protection. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the freezer is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

SECURITY

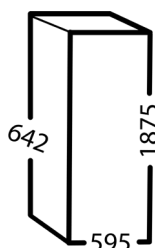

The freezer comes with up to 5 years warranty, and it has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.
