## Maxi F510 Freezer

Item number: 945120220

Maxi F510 is an energy efficient, durable, and reliable freezer in the euronorm measure 400x600 mm, built for demanding professional use with many door openings and high demands for temperature stability.

### WORK ENVIRONMENT, EASY CLEANING, AND EFFICIENT USE

The cabinet is equipped with a reversible door, self-closing with a pedal door opener for hands-free opening, and an integrated handle in the full height of the door. It is constructed with rounded corners and the door has a removable sealing strip for easy and efficient cleaning.

### SUSTAINABILITY

Besides being energy efficient and thus having low operational costs, the freezer is produced locally in Denmark with focus on minimizing the impact of the environment, social responsibility and with energy from renewable energy sources.

### SECURITY

The freezer comes with up to 5 years warranty, and it has a ventilated cooling system, which ensures good temperature stability and air distribution, and that the temperature is quickly restored after door openings.

### WHAT IS G+?
